Certificate

Extractant DOS

(dioctyl sulfide)

Qualification: chemically pure

Date of manufacture June 2022

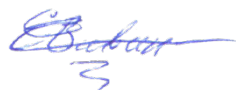

Analytical indicators

Name of indicators	Norm	Fact
Appearance	light yellow liquid	light yellow liquid
Molar concentration of dioctyl sulfide, mol/liter, not less than	3,22	3,25
Dioctyl sulfide content, % mass, not less than	98,8	99,3
Density, (g/cm³)	0,844	0,844
Melting point	-1 °C	-1 °C
Molecular weight	258	258

Store in a dark place at a temperature not exceeding 40⁰ C.

Shelf life: at least five years
